Handwritten: Summary of 10:30

8:40 Meeting, Tuesday, 17 July 1973

25X1 1. Missing Person: We are continuing to attempt to locate our
missing employee, [] GS-02, Upward Mobility Group.
The Office of Security on 16 July spoke with [] grandmother 25X1
25X1 who indicated that [] mother would be in contact with the
Office of Security on 16 July. Indications are that [] is staying 25X1
with a girlfriend. Our current plan is that unless she is located by the end
of this week we will do an abandonment of position action. If she is located
this week we hope to persuade her to come in and sign a normal resignation
action.

2. Answer to Ad for Clerk-Typists and Messengers: We have
received 67 calls replying to our ad which appeared in yesterday's
Star/News and Post. Of the 67, 47 have made appointments for interviews.

3. Summer Interns: The summer interns will be briefed tomorrow
morning by C/CTP and the DD/S&T.

4. DDI Survey: We have completed about one-half of the Intelligence
Directorate Admin Support survey, including offices of the DD/I, OCI,
CRS and OER.

5. Transfer of Our Employees to EPA: Today a representative
of RAD (C/EEAB) informed our contact at the Environmental Protection
Agency that CIA will not assign five employees to EPA on reimbursable detail
for six months. EPA countered with a request for three months but was told
